

Leadership 2017-2018

Leadership Belle Fourche kicks off with a strong team!

This fall, Leadership Belle Fourche kicked off with 13 community members on the team! Talk about good energy and drive for our community! Watch for exciting news as this crew finishes the program in May.

The program is a collaborative effort of the Belle Fourche Development Corporation and Chamber of Commerce designed to educate our community members for a well rounded community leadership role.

- Julie Wingen
- Melissa Scofield
- Travis Martin
- Breanna Schaefer
- Lisa Nelson
- Wendy Bowers
- Kathy Leipold
- Craig Knapp
- McKenzie Hennessey

Belle Fourche Community Development

January 18th, 2018, sixty seven Belle Fourche community members embarked on a community development journey. The first step was a day and a half long session that spurred thoughts for the vision of Belle Fourche's future. The day's events challenged our thoughts, brought out our hopes and fears, and took us to the first steps of building the foundation for the future we all want for our community by engaging more people from all walks of life here in our town and surrounding area. Our goal is to build relationships and trust to enable problem solving, engagement and align partners to be at the table as equals.

For more information on how to be involved, contact Hollie at the Belle Fourche Development Corporation office – 605-892-5065 or Gary at the Belle Fourche Chamber of Commerce – 605-892- 2676.

Clean up complete for new Belle Fourche home

The Belle Fourche Development Corp board of directors organized a clean up day on a property on Elkhorn to make way for this year's student built home. The home will be ready for a new family June 2018. Watch for more details!
